

SHEEHAN PHINNEY

Sheehan Start-Up Team

For more than seventy-five years Sheehan Phinney has been committed to the local entrepreneurial and business community. In furtherance of that commitment, we have developed the Sheehan Start-Up Team to help early-stage companies with growth potential obtain basic corporate and intellectual property legal services at no cost or at reduced cost. Participants in the Sheehan Start-Up Team will receive essential corporate and intellectual property law services at a predictable cost while gaining access to Sheehan Phinney's experienced attorneys and its extensive network of professionals.

The Sheehan Start-Up Team offers the following services to participants:

Complimentary Services

Corporate

- One (1) hour consultation to discuss formation and general corporate matters
- Preparation and filing of Articles of Incorporation or Certificate of Formation
- Preparation of Bylaws or a simple Operating Agreement
- Assistance with and filing of an EIN Application
- Preparation of share certificates or membership interest certificates

Intellectual Property

- Reduced hourly rate for the first year of representation on most corporate matters

Reduced Rate or Flat Fee Services

Corporate

- Reduced hourly rate for the first year of representation on most corporate matters

Intellectual Property

- Patent search
- Trademark search
