“

Every attorney I've worked with has been very capable and efficient. When I've had a new matter, they quickly identify a firm member who is experienced in that matter and able to start quickly.

“

”

The team of attorneys is top notch. They are great listeners, they understand our needs and make recommendations rather than trying to tell us what to do.

“

”

We get the personal attention of a small firm but with national expertise.

“

”

SHEEHAN PHINNEY

The firm is highly professional and provides high-quality legal work at reasonable prices.
