Beach Peter T. *Sheehan Phinney Bass & Green PA* *

Sheehan Phinney Bass & Green PA

What the team is known for Distinguished for its high-quality offering for regional, state and national clients. Regularly handles complex matters across the full spectrum of business law, including areas such as midmarket M&A, IP, bankruptcy-related issues and securities regulation. Also noted for its strength in areas such as fund formations and corporate debt financing.

Strengths Clients report being “*extremely happy with the team,*” noting that it “*exceeded our expectations*” and has “*been able to service all our company’s needs.*”

Value for money Interviewees draw attention to the firm’s strong value proposition, with one stating: “*You would be shocked at how reasonable their hourly rates are. They are very efficient at what they do.*”

Work highlights Acted for Crimson Hexagon on its \$20 million Series C preferred stock financing.

Significant clients Crimson Hexagon, Loomis Sayles, Codero Holdings, Dun & Bradstreet Netprospex, Magellan Health, Excelitas Technologies.

Notable practitioners

Michael Drooff is considered an expert in a broad range of corporate matters, including acting for public and private companies in M&A and securities compliance. Sources report that he’s a “*really good, very thoughtful and detail-oriented lawyer.*” **Joseph DiBrigida** is recognized for his strong transactional and corporate counsel practice, which includes advising on business planning, M&A and capital raising deals. His experience extends to advising on cross-border matters. **Colleen Lyons** is held in high regard by clients, who note that she’s “*very good: she’s responsive, helpful and knows the local New Hampshire issues.*” She routinely acts on M&A and financing transactions for a broad roster of companies. **Alan Reische** is widely regarded as the “*dean of the corporate Bar*” in New Hampshire. He continues to advise on general corporate concerns and large-scale transactions, drawing on longstanding experience in the market. **Peter Beach** is highly sought after for his broad knowledge of corporate tax. His experience includes structuring a range of transactions, as well as advising on controversies.

Lucic Robert R. *Sheehan Phinney Bass & Green PA* *

Sheehan Phinney Bass & Green PA

What the team is known for Preeminent team of highly regarded practitioners with extensive experience appearing before energy and environmental agencies at both state and federal levels. Held in high esteem for its deep knowledge of redevelopment, regulatory compliance, cleanup and permitting matters. Offers strength in connection with areas such as air and water quality and shoreland protection.

Strengths One client reports: “*When I compare them to Boston lawyers, their rates are better and they are just as knowledgeable and just as well received by the EPA. I view them as the top choice.*”

Work highlights Acted for Hooksett Sewer Commission to bring claims against Penta Corporation for the recovery of costs accrued from a failure of a wastewater treatment facility.

Significant clients City of Dover, Thomas & Betts, IMC Eastern, New Hampshire Ball Bearings, Pease Development Authority, Watts Water Technologies.

Notable practitioners

Robert Lucic chairs the firm’s litigation group and handles environmental litigation, arbitration and administrative proceedings as part of a broader commercial dispute resolution practice. Sources say: “*Bob is just top-notch. He is not just great in terms of knowledge, but also when we need a fighter. He can also negotiate when necessary. He is a strategic lawyer.*” **Robert Cheney** concentrates his practice on regulatory compliance and enforcement matters in the energy and environmental spaces. Clients note that he is “*very, very good technically.*”

Sheehan Phinney Bass & Green PA

What the team is known for Recommended for its representation of clients across New England in labor and employment law. Knowledge and experience working in both an advisory capacity and in defending clients in the courtroom. Expertise covers areas such as employment discrimination, sexual harassment, wrongful discharge and whistle-blower violations.

Strengths One client praises the firm as having *"a very strong labor and employment section."*

Work highlights Represented Easter Seals of New Hampshire in a number of workplace discrimination claims. The cases included allegations of gender, sexual orientation and maternity discrimination.

Significant clients Lindt, Easter Seals, Terrace Communities, Yankee Publishing, ECCO USA, Ascendria Care Alliance.

Notable practitioners

Alan Cleveland is a highly regarded attorney whose practice focuses on the ERISA space, including both public and private pension plans. **James Reidy** has extensive experience representing management clients in employment law matters. He has been lead partner on many of Sheehan's most notable cases and is described by one interviewee as *"very good, top-notch."* **Elizabeth Bailey** is an experienced lawyer focusing on employment litigation. She is praised for her practicality and her ability to *"communicate effectively"* and to *"talk through problems, particularly with opposing counsel."* **David McGrath** focuses on employment litigation and alternative dispute resolution. Sources describe him as *"brilliant,"* noting that *"he's very cost-efficient. He always comes up with a solution."*

Firm Overview:

Established in 1937, Sheehan Phinney Bass & Green PA is one of the premier business law firms in Northern New England. The firm has grown to nearly 60 attorneys with four offices throughout New Hampshire and Massachusetts representing local, national and international businesses. Since opening the Boston office in 2002, the firm has significantly increased their Massachusetts client base in part by offering a New Hampshire fee structure. Sheehan Phinney is known for professional excellence, practical counsel and commitment to both its clients and the communities it serves, and for providing innovative approaches and practical solutions to client issues. The firm's attorneys continue to be recognized by *Woodward/White's Best Lawyers* and *Super Lawyers*, and many are ranked in the top tier of *Chambers USA*. In 2010, the firm was chosen as Business NH Magazine's Business of the Decade based on business success, contributions and leadership within the legal profession, community and state during the past 10 years.

Main Areas of Practice:

Corporate:

The firm has extensive experience in mergers and acquisitions, corporate finance, healthcare, real estate, employment law, tax, intellectual property, patents and trademarks. Areas of practice also include public and private securities, bankruptcy and insolvency, business formation, education, environmental and energy, governmental affairs, import/export control, and trust and estate planning.

Contact: Alex H Pyle

Litigation:

The firm's business litigators routinely represent clients in both state and federal courts, before administrative agencies, and in arbitration and mediation settings. Group members regularly represent clients with matters involving shareholder and partnership disputes, intellectual property rights, trade secrets, non-competition/non-solicitation covenants, predatory hiring, employment claims/disputes, securities, construction, consumer protection, class action defense, environmental issues, insurance coverage, and state and federal tax cases.

Contact: Robert R Lucic

Banking & Finance:

In addition to frequent representation of borrowers and lenders in routine and complex commercial transactions, the firm also represents clients in public finance transactions including New Hampshire's largest issuer of tax-exempt bonds, as well as borrowers, underwriters and corporate trustees.

Contact: Michael J Drooff

Environmental & Energy Practice:

This group, recognized as one of the best in New England, counsels clients on regulatory compliance, permitting, cleanup and re-development issues.

Group members provide representation before

state and federal environmental and energy agencies, as well as state and federal courts.

Contact: Lynn J Preston

Intellectual Property & Technology:

Group members work with clients to evaluate, protect and enforce their intellectual property and technology rights, while helping them create an effective intellectual property portfolio with respect to licensing, financing and merger or acquisition transactions. Services include patents, trademarks, copyrights, ecommerce, trade secrets, export and import assistance, litigation and licensing.

Contact: Peter A Nieves

Healthcare:

This group represents hospitals, nursing homes and other healthcare facilities, including physician and professional practice groups, sole practitioners, medical partnerships, professional corporations and limited liability entities. Group members advise healthcare clients on all aspects of their businesses including regulatory compliance, contract issues, patient care issues, financing and securities transactions, real estate acquisitions and development, facilities construction, tax planning and general corporate matters.

Contact: Katherine M Hanna

International:

This group offers a full range of services to clients engaged in international commerce. The group focuses on helping clients maximize the benefits of participating in the global marketplace, while avoiding the pitfalls of international trade.

Contact: Robert P Cheney

Labor & Employment:

A recognized leader in this area of the law, this group regularly assists clients with a wide variety of compliance issues under federal and state labor and employment laws. Members handle a wide variety of disputes before government agencies,
